It's springtime in Strawberryland!
That means it's time for Strawberry Shortcake
to plant her berry patch. Orange Blossom
and Blueberry Muffin come over to help.

Use the stickers to help the friends plant lots of strawberry seeds.

The seeds are growing!
Little white flowers on the berry plants mean
that the strawberries are on their way.

The baby strawberry plants need lots of sun, lots of water—and lots of love. Strawberry Shortcake shows Rainbow Sherbet and Ginger Snap how to take berry good care of them.

Help Strawberry in the berry patch by using your stickers.

Look at all the strawberries! Picking them is a berry big job—but Strawberry knows that with a little help from her friends, the job will be done in no time.

Use the stickers to show Strawberry and her friends harvesting the berries.

What a berry beautiful harvest! Strawberry wants to thank her friends for helping by having a tea party in the berry patch.
